SOCIAL WORKER

A social worker protects vulnerable individuals, assesses needs, and supports people to live independently or navigate crisis situations.

Key Role Details

- Core Duties: Conducting assessments, safeguarding clients, arranging support packages, writing case records, and giving evidence in court.
- Work Settings: Local authorities, NHS hospitals, schools, residential care facilities, and the voluntary sector.
- Main Specialisms: Children's and families' services or adult services (including mental health, older people, and learning disabilities).
